## **Bridgwater Swimming Club**

## 2023/2024 Competition Calendar

This is the 2023/2024 competition calendar. Meet dates will also be added to Spond but please use this document in conjuction with information on the Spond app.

There are separate columns for each squad to indicate which meets swimmers should be entering. This doesn't necessarily mean swimmers cannot swim meets detailed within another column although swimmers should prioritise the meets that apply to them before committing to other meets unless indicated otherwise by the coaching team.

As a minimum swimmers should enter the following meets:

- Pre-Squad Are not expected to enter but we do encourage attendance at our own club championships and time trails events.
- Junior & Squad Somerset County Development Meet, Somerset County Championships (if they qualify) and also enter the City of Bristol Open Meet.
- Performance Squad Somerset County Championships in all events they qualify for, South West Regional Championships, and either the City of Bristol Open Meet, Welsh Nationals, or Swim England

All Junior, Squad, and Performance swimmers should be available for selection for the National Arena Swimming League & Cotswold League Galas, teams will be selected by the Head Coach in line with the clubs selection policy. All swimmers should compete fully in the clubs own Championships.

County Championships, SW events, and National Champs are only open to swimmers who make the qualifying time to enter at a relevant Licensed Open Meet. The Welsh Summer Nationals is not necessarily only open to Welsh swimmers so please speak to a member of the coaching team for more information.
